Advice to Mothers

taken?

It's an art to take baby's photograph as it should be taken. To eatch his roguish little smile, his pretty little dimple, Such photograps become prized remembrances of babyhoed's days in years to come. We have had years of inperience in photographing children. They always look their best when we ake them. No troublesome posing, from them in a jiffy.

The Sensible Overnight Remedy for Sensible People

After you have upset your stomach with pills, powders and vile heatrums and still retain possession of that terrible cold, do what thousands of sensible people are doing. Do this: Into a how! three-quarters full of boiling water pour a scant temporaful of HYOMEI (pronounce it Higho-me), cover head and bow! with a towel and breathe for five minutes the soothing, healing vapor that arises.

Then go to bed and awake with a clear head in the merning. HYO-MEI does not contain opium, cocaine or any harmful drug. A trottle of HYOMEI Inhainst costs 50 cents at The Lee & Osgood Co's and drug-gists everywhere. Guaranteed for catarrh, asthms, croup and catarrhal
